

25U 36in Knock-Down Server Rack Cabinet with Casters

StarTech ID: RK2536BKF

The RK2536BKF DuraRak 25U 36-inch (depth) server cabinet/rack features a vented acrylic front door and mesh rear door, to provide devices stored in the cabinet with cost-effective passive cooling.

Supporting a total load capacity of 815 kgs (1800 lbs), the server rack is constructed of steel and aluminum to ensure a sturdy platform for valuable server/networking equipment. The included casters make this product a flexible rack solution for any IT environment or server closet.

The rack is easy to assemble at the point of installation for rapid deployment and features a flat-packed design that helps to minimize shipping costs.

Backed by a StarTech.com 3-year warranty and free lifetime technical support.

Applications

- Perfect solution for Technology shops and repair centers with limited space and mountable equipment where security is required
- Ideal for rack mount servers, KVM switches, networking equipment and cabinet consoles
- Audio/Video editing room, radio or television studio broadcast rackmount equipment

Features

- Includes casters and stabilizer feet
- Flat packed into a single carton for easy shipping
- Vented doors and side panels
- Adjustable mounting rails
- Quick and easy to assemble
