

BAHCO**Insulated Side Cutting Combination Pliers****With Insulated Grips**

Product Code	Overall Length (Inches)	Jaw Length (Inches)	Maximum Cutting Capacity (Inches)
2628S-180	7	1 ⁷ / ₁₆	⁵ / ₆₄ Hard Steel
2628S-200	8	1 ¹ / ₂	⁷ / ₆₄ Hard Steel

Features

- Extra thick grip handles with thumb stops, provides protection up to 1000 volts.
- High-leverage joint placement to reduce the cutting force. Joint design ensures a smooth joint action.
- Heavy-duty design - high performance tool steel construction adds extra strength.

BAHCO**Insulated Diagonal Cutting Pliers****With Insulated Grips**

Product Code	Overall Length (Inches)	Jaw Length (Inches)	Maximum Cutting Capacity (Inches)
2101S-140	5 ¹ / ₂	⁵ / ₈	¹ / ₁₆ Piano Wire
2101S-160	6 ¹ / ₄	³ / ₄	¹ / ₁₆ Piano Wire
2101S-180	7	¹³ / ₁₆	⁵ / ₆₄ Piano Wire
2101S-200	8	⁷ / ₈	³ / ₃₂ Piano Wire

Features

- Extra thick grip handles with thumb stops, provides protection up to 1000 volts.
- Edges near the joint are shaped for cutting hard materials such as thick single wires.
- Towards the tip they are adapted for soft materials and for stripping wires of thinner dimensions.
- Jaws are made from specially hardened steel so they stay sharp longer.
