TOPTUL HIGH PERFORMANCE 72-TEETH RATCHET SYSTEM 42

Ergonomic Soft Handle Design

Safety, comfort and practicality are the notable features of this super-grip handle. The special anti-slip TPR material on the handle is delicately formed to fit users' palm shapes, so the comfort is doubtless.

Moreover, these slip-proof handles can always prevent incidental slip while conducting on-site fastening tasks.

TOPTUL Professional Tool truly grasps the power for you.
